

AIM 2021 Workshop Registration

Event Timing: July 12th, 2021

Location: TBA

Please complete form, then save and send to seyoung.yoon@ieee.org

* Required

1. Last Name *

2. First Name *

3. Email *

4. Organization *

5. Department

6. Workshop attending *

Check all that apply.

Workshop I: Advances in Precision Motion Control: Design, Modeling and Implementation (14:00 – 16:40 (Delft UTC+2))

Workshop II: Recent Advances in Compliant Mechanisms including Design, Modelling, Control and Applications (10:45 – 16:00 pm (Delft UTC+2))

Workshop III: Machine and Bio-Sensing System (14:00 – 16:10 (Delft UTC+2))

Workshop IV: Smart Sensing: Modeling, Design and Implementation (11:00 – 14:40 (Delft UTC+2))

Workshop V: Rehabilitation Using Robots: Past, Present, and Future (15:00 – 19:00 (Delft UTC+2))

Workshop VI: Modern Robotics Education: go Broad or go Deep? (11:00 – 15:30 (Delft UTC+2))

(button might only work if you have downloaded this form, probably not from within browser. If so, please use email link on top of this page.)
